

# 1/2 learning Community

Glenroy Central  
Primary School

Our Term 2 award winners!

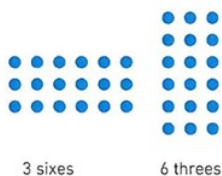

## Year 1

## MATHS

By the end of Term 3 Year 1 students will know the following essential skills:

- Model multiplication using array
- Count by 2s, 5s and 10s from zero using skip counting and repeated addition
- Share a collection into equal groups.

## Year 2

By the end of Term 3 Year 2 students should know the following essential skills:

- Count by 2s, 3s, 5s and 10s from zero using skip counting and repeated addition
- Model multiplication using arrays, number sentences and algorithms
- Model division using arrays and number sentences.

## ENGLISH

Writing - We will be writing narratives and poetry.

### Reading

Comprehension is SO important!

After your child has finished reading each night, ask them questions about the book and also talk about vocabulary.

Why was the boy feeling upset?

What does this word mean?

### Spelling:

We are asking students to find spelling mistakes in sentences and think about the correct spelling choice.

## investigations

We will investigate...

I am an astronaut! Earth Science  
How is weather unique every day?

weather - climate - seasons - water cycle - effect of weather - cultural groups - temperature - sky - lightning - thunder - hail - drought - bush fire - community

## Reminders!

School photos are on Wednesday 25th July

Read and practise spelling words EACH night

We will take turns at announcing the weather to our whole school each day. Keep an eye out for your child's turn!

Please make an appointment with us if you have any feedback or questions, thank you from the 1/2 Team!

Amy, Erin, Elle, Robyn, Leanne, Matthew and Susan
