

**Congratulations to our Term 2 award winners!**

## Foundation

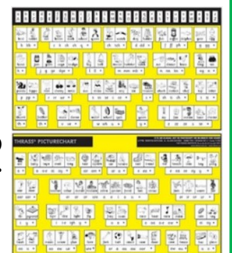

## MATHS

*By the end of Term 3 Foundation students will know the following essential skills:*

- ◇ Recognise and name the numbers from 0 to 20
- ◇ Order 0 to 20
- ◇ Count collections 0 to 20
- ◇ Writing numerals 0 – 20
- ◇ Add numbers by grouping together and counting all
- ◇ Subtract numbers by modelling and taking away to find out how many are left.

## ENGLISH

In reading we are asking students to think about the story and talk about ideas in the book.

**We are so excited that our students are now writing their own sentences.**

**We are focussing on hearing and recording sounds in words.**

## investigations

*We will investigate...*

**I am an Astronaut! Earth & Space Science**  
**What can I invent?**

**How do things work? – design and technology -  
light and sound – tinkering  
– design, plan, draw, model, evaluation -**

## Reminders

- ★ School photos are on Wednesday  
25th July
- ★ Our 100th Day of school celebration is  
on next Friday 27th July

**100  
DAYS OF  
SCHOOL!**

Thank you from the Foundation teachers —

Lisa, Samantha, Leanne and Kirstin
